GRAPEFRUIT KUSH

2g Rechargeable Disposable Device | Preheat Button & Variable Voltage | Ceramic Coil | Smooth Draw | Custom Design
Natural Terpenes and Premium Delta-8 Distillate | No Fillers or Cutting Agents | Child Resistant Packaging

THC-O CARTS 1G

These THC-O carts pack a heavy punch and are great for those looking for a stronger experience. Many companies dilute their THC-O with Delta-8 but we keep ours pure for the full experience. Our THC-O carts come in 3 terpene based flavors and contain 1000mg in each cart. They work with any 510-compatible vape pen and pack a punch with every inhale.

HEADBAND

STRAWBERRY LEMONADE

WATERMELON SPLASH

THC-O DISPOSABLE 1G

Each disposable device contains 1000mg of THC-O and natural flavor packed terpenes. These devices are very simple to use, ready straight out of the package, and rechargeable. We recommend this for people who have a higher tolerance or are interested in trying out a stronger experience.

GRAPE LIMEADE

TROPICAL RUNTZ

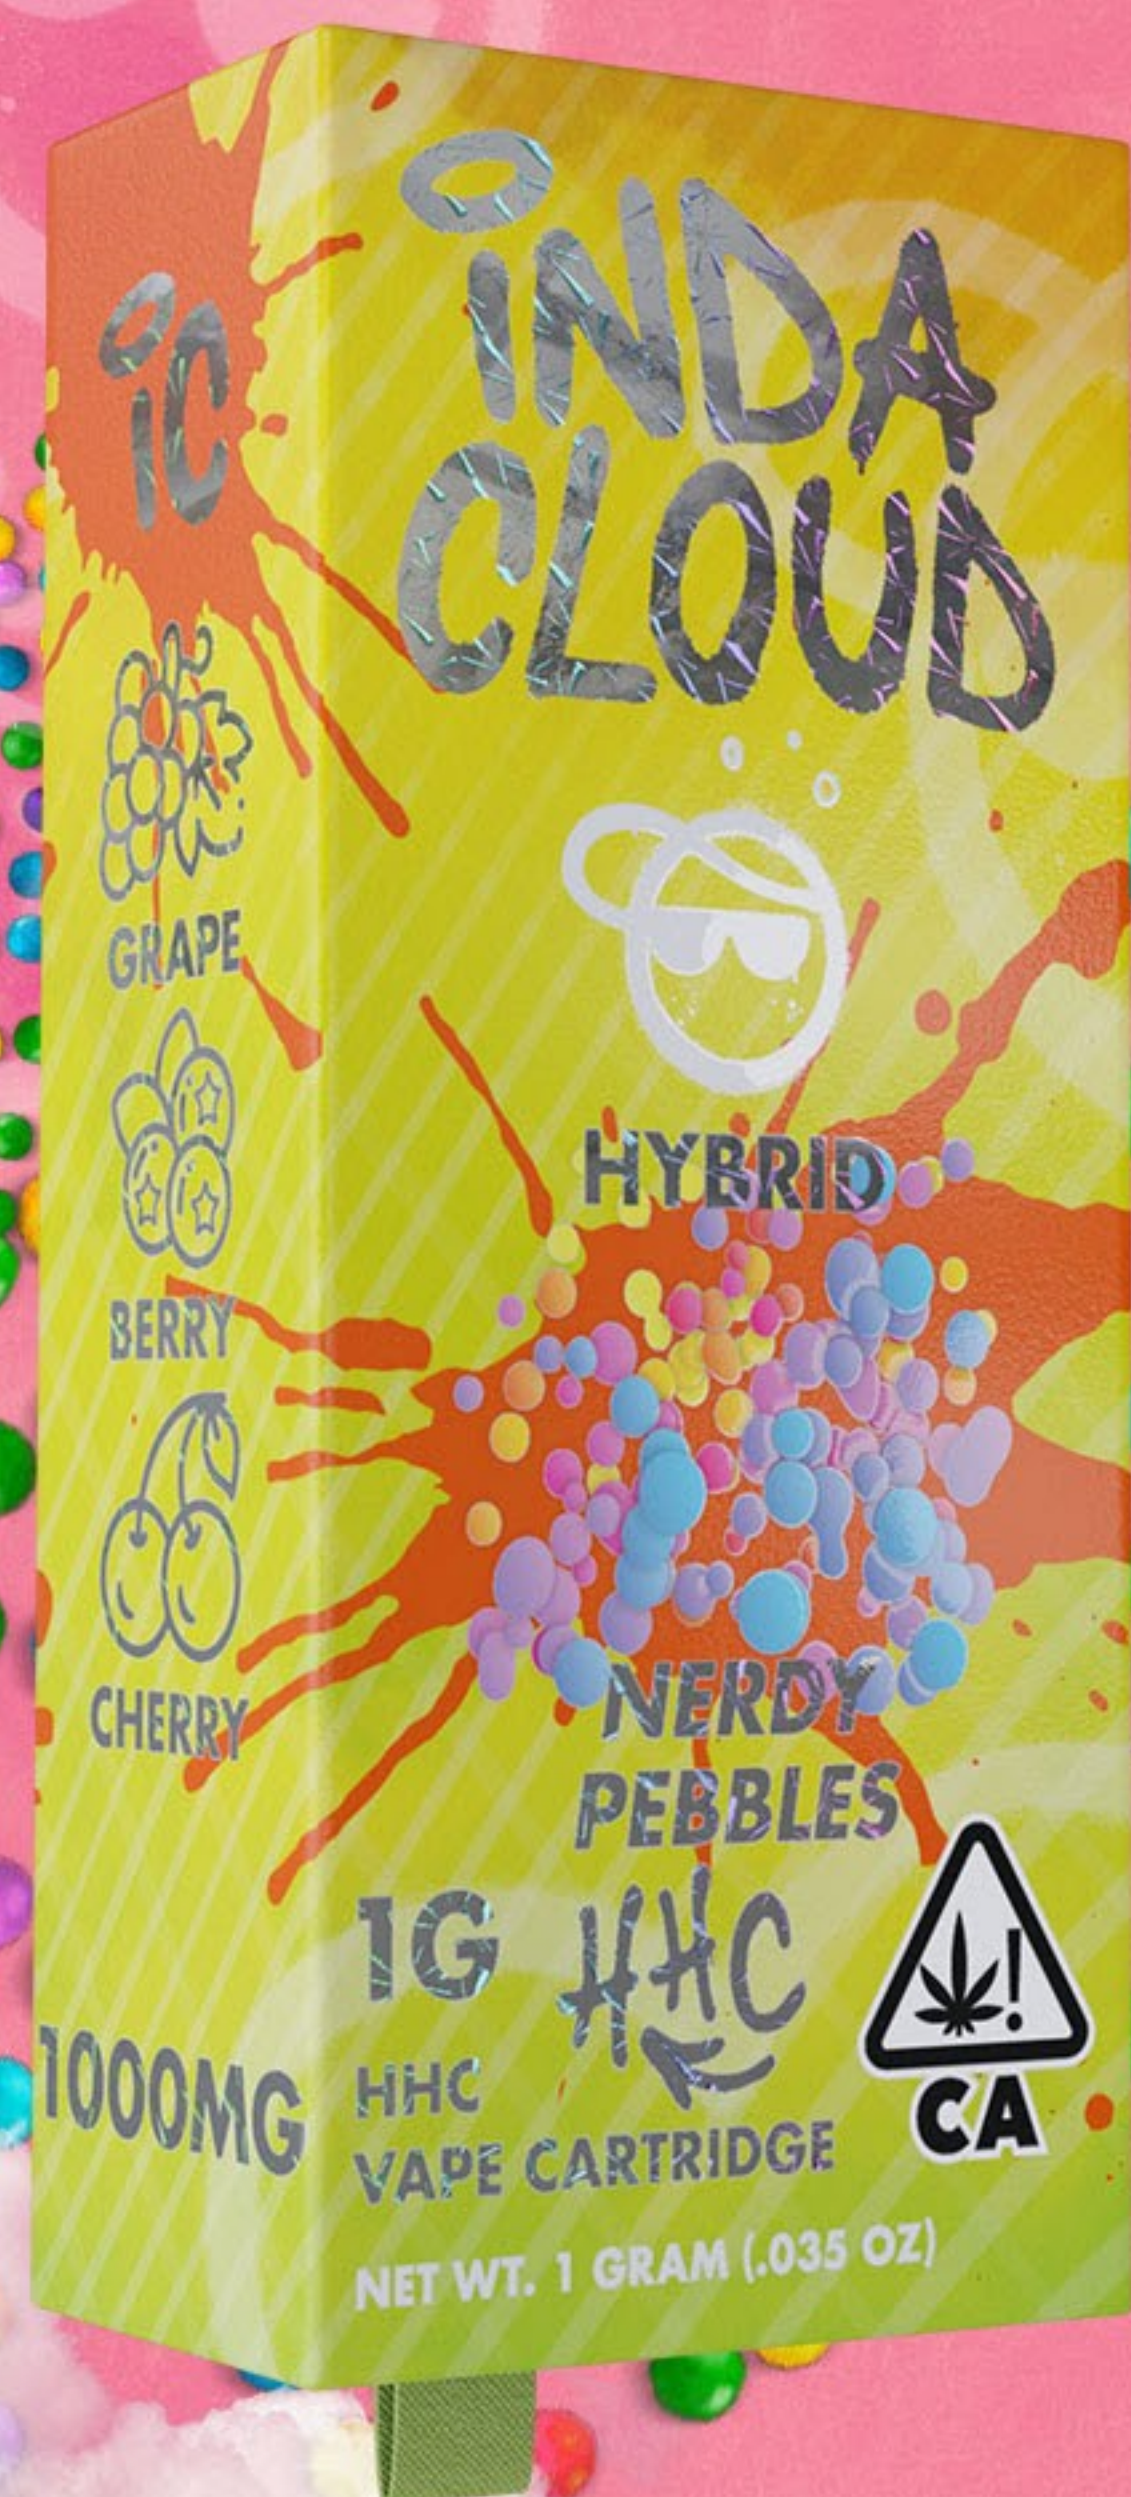

BANANA SHERBERT

Ceramic Coil | Smooth Draw | Custom Design | Natural Terpenes and Premium THC-O Distillate | No Fillers or Cutting Agents
Child Resistant Packaging | QR Codes and Batch Specific COAs

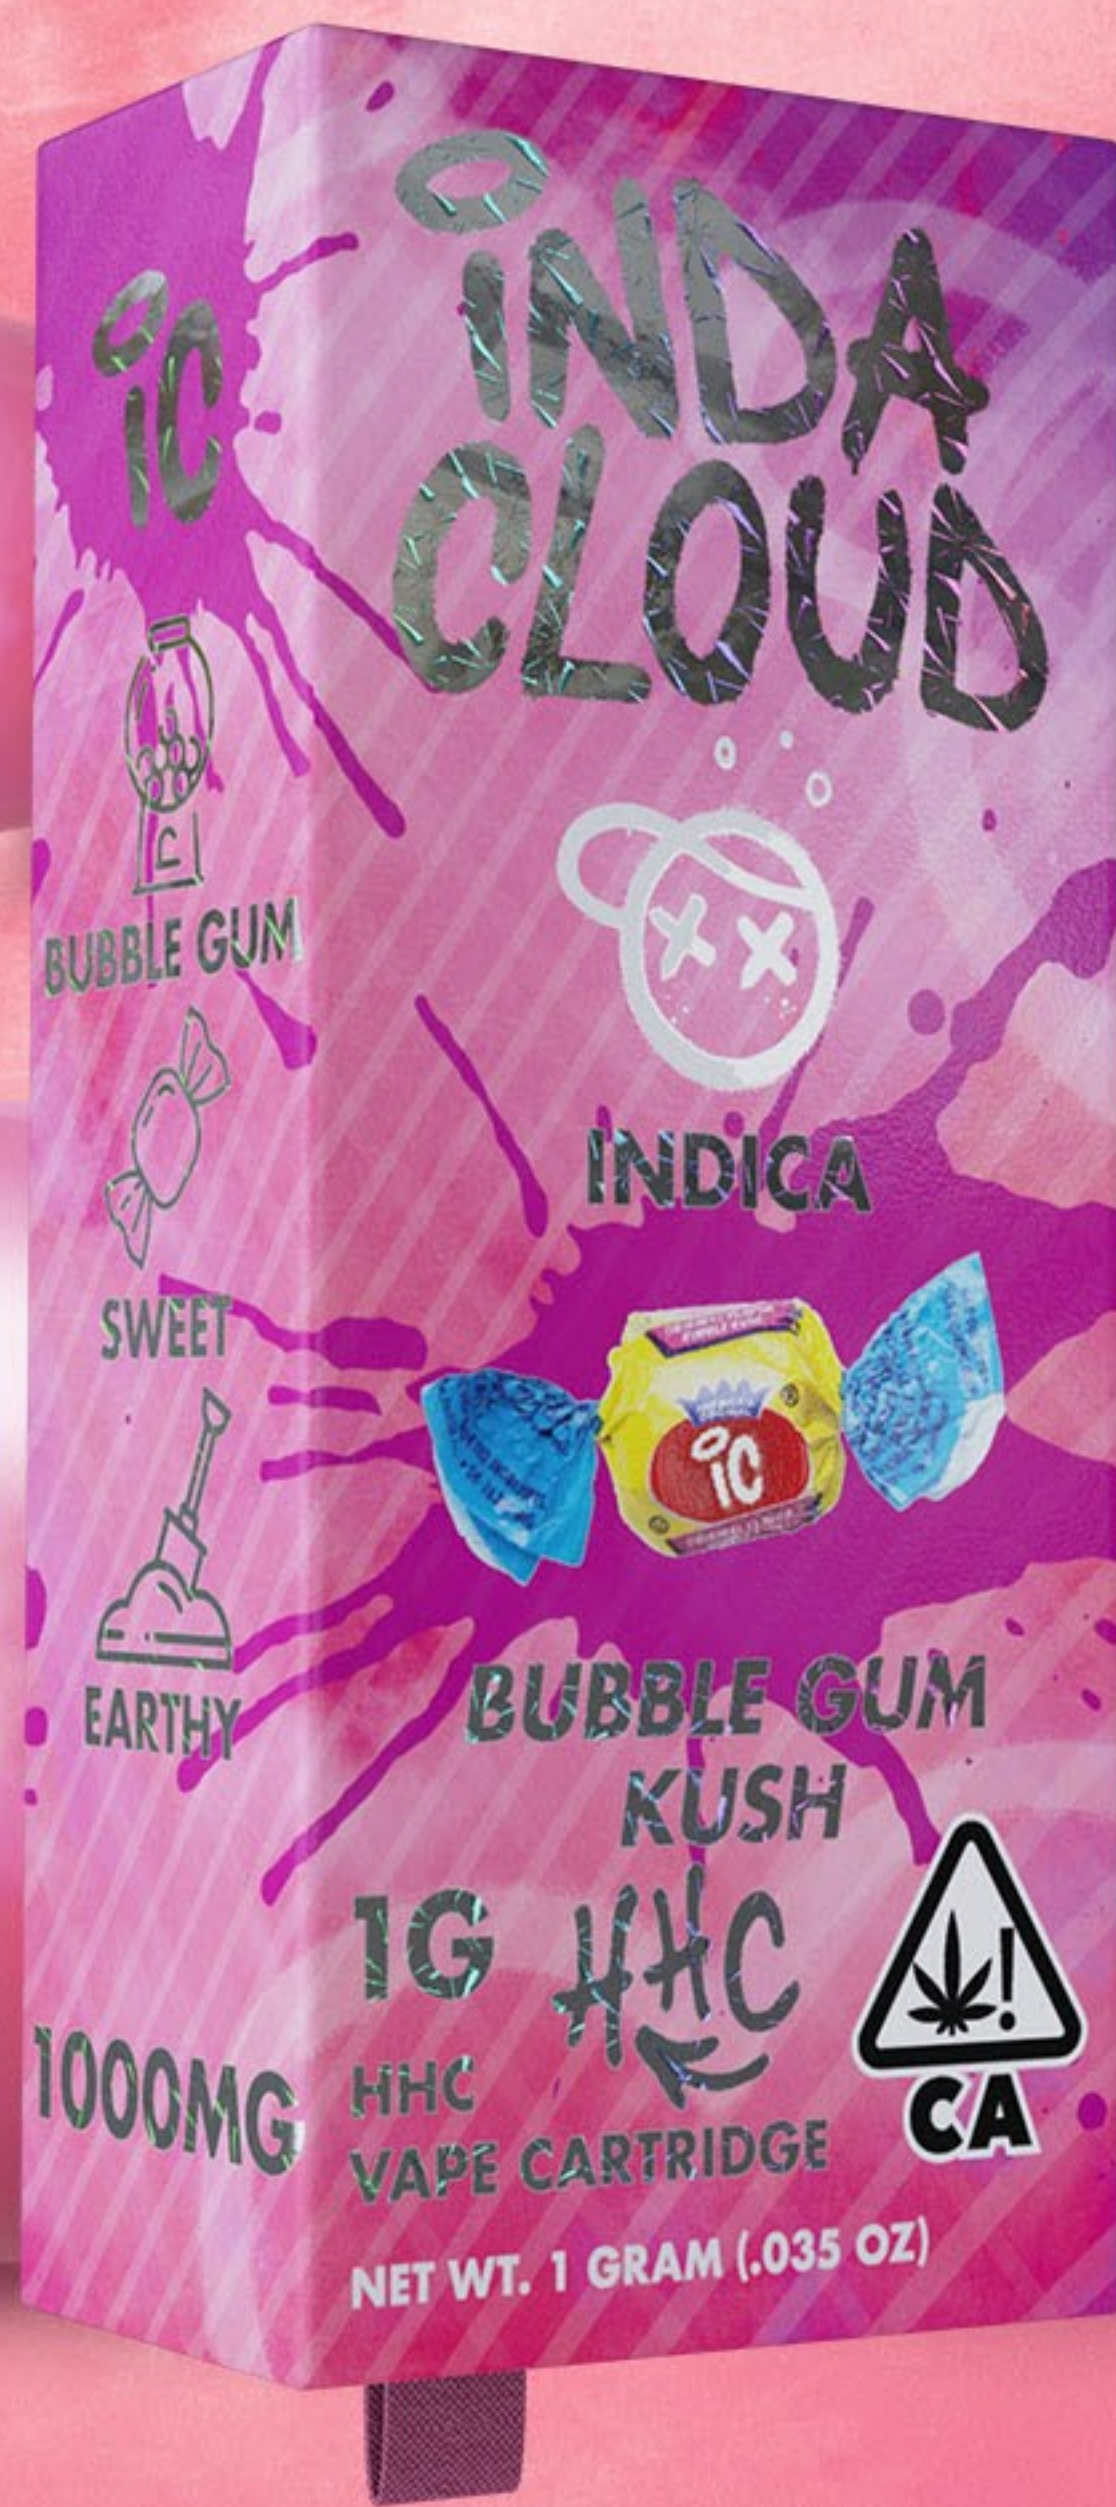

HHC CARTS 1G

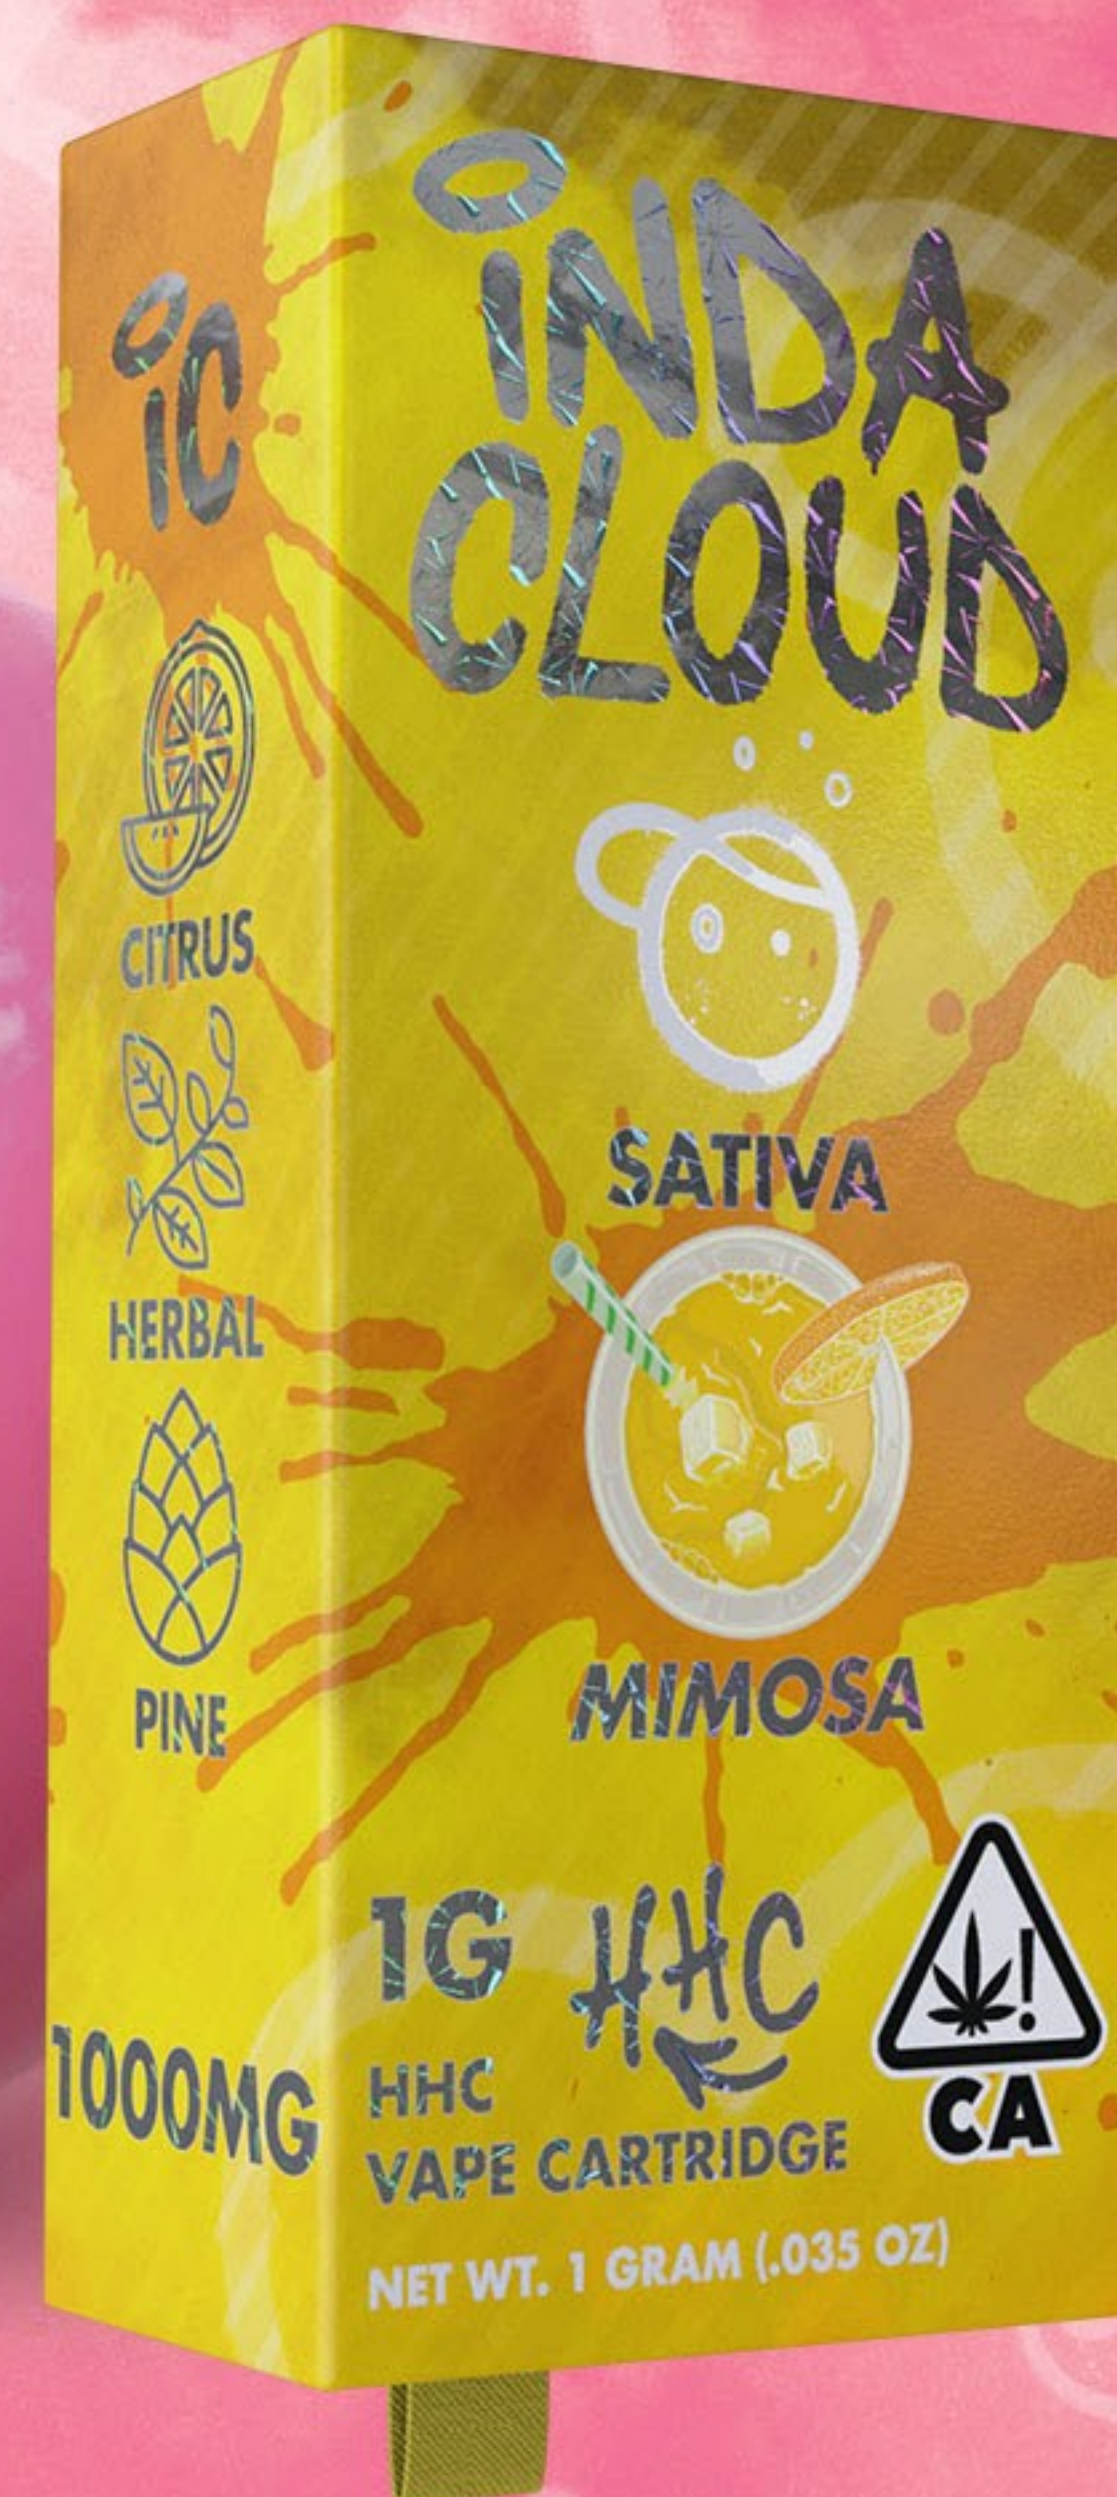

These HHC cartridges contain some of the most potent HHC concentrates on the market. Customers have been enjoying HHC due to its similarity to a Delta-9 high, offering a great form of relaxation and happiness without the paranoia or couch-lock. These carts come in a variety of three very unique terpene infused-flavors and contain one gram each.

NERDY PEBBLES

BUBBLE GUM KUSH

MIMOSA

Ceramic Coil | Smooth Draw | Custom Design | Natural Terpenes and Premium HHC Distillate
No Fillers or Cutting Agents | Child Resistant Packaging | QR Codes and Batch Specific COAs

HHC DISPOSABLES 1G

Each vape contains 1000mg of premium HHC distillate and natural flavorful terpenes. Our disposables are rechargeable, 3rd party lab tested, and guaranteed to be the most convenient way to try out HHC. You'll notice a high very similar to Delta-9 so we recommend starting with a single puff to test your tolerance.

BLUE DREAM

GUSHERS

PINA COLADA

APPLE FRITTER

BUBBA KUSH

MELONADE

THC-O SUGAR WAX 2G

THC-O Sugar Wax is a hemp derived concentrate that contains 1 gram of THC-O sugar wax and 1 gram of CBG. We offer this unique concentrate in 3 amazing terpene-fueled strains ready to be consumed via vape, dab rig, or coated onto a joint.

BLUEBERRY KUSH

SOUR DIESEL

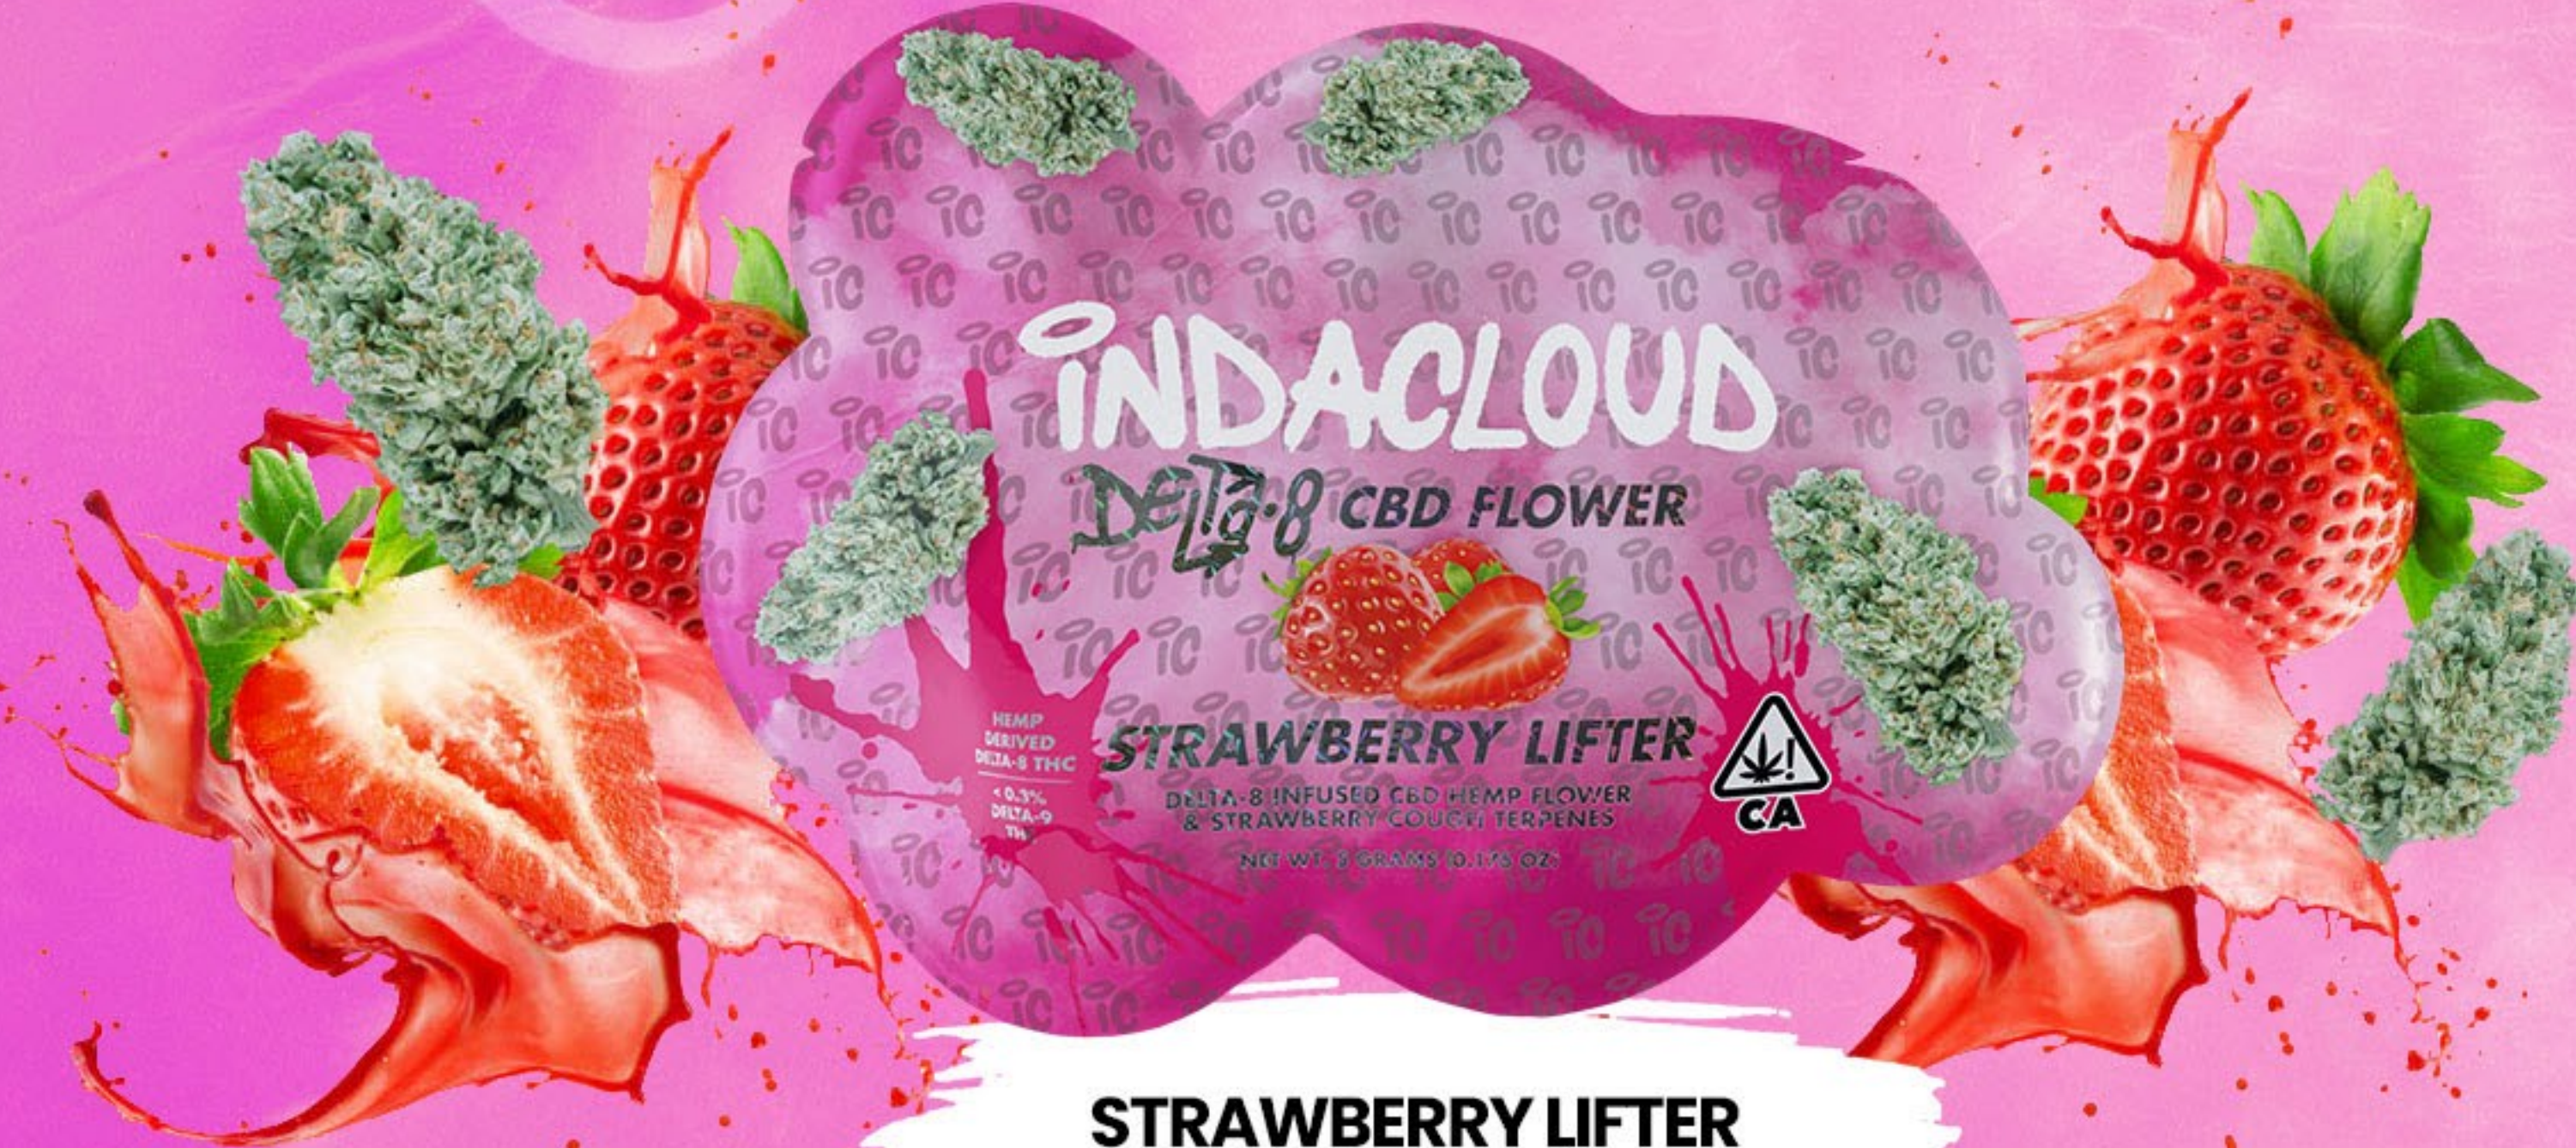

STRAWBERRY COUGH

DELTA 8 DIAMONDS & SAUCE 2G

CBD is extracted and then isolated from intoxicating elements and then crystalized using heat, pressure, and time, which ultimately results in “diamond” crystals. We take these highly pure CBD diamonds and suspend them in a Delta-8 distillate and terpene infusion that is commonly referred to as “sauce.” Each container has 1 gram of premium CBD diamonds and 1 gram of our signature Delta-8 combined with a selection of potent terpenes.

BLUE HAWAIIAN HAZE

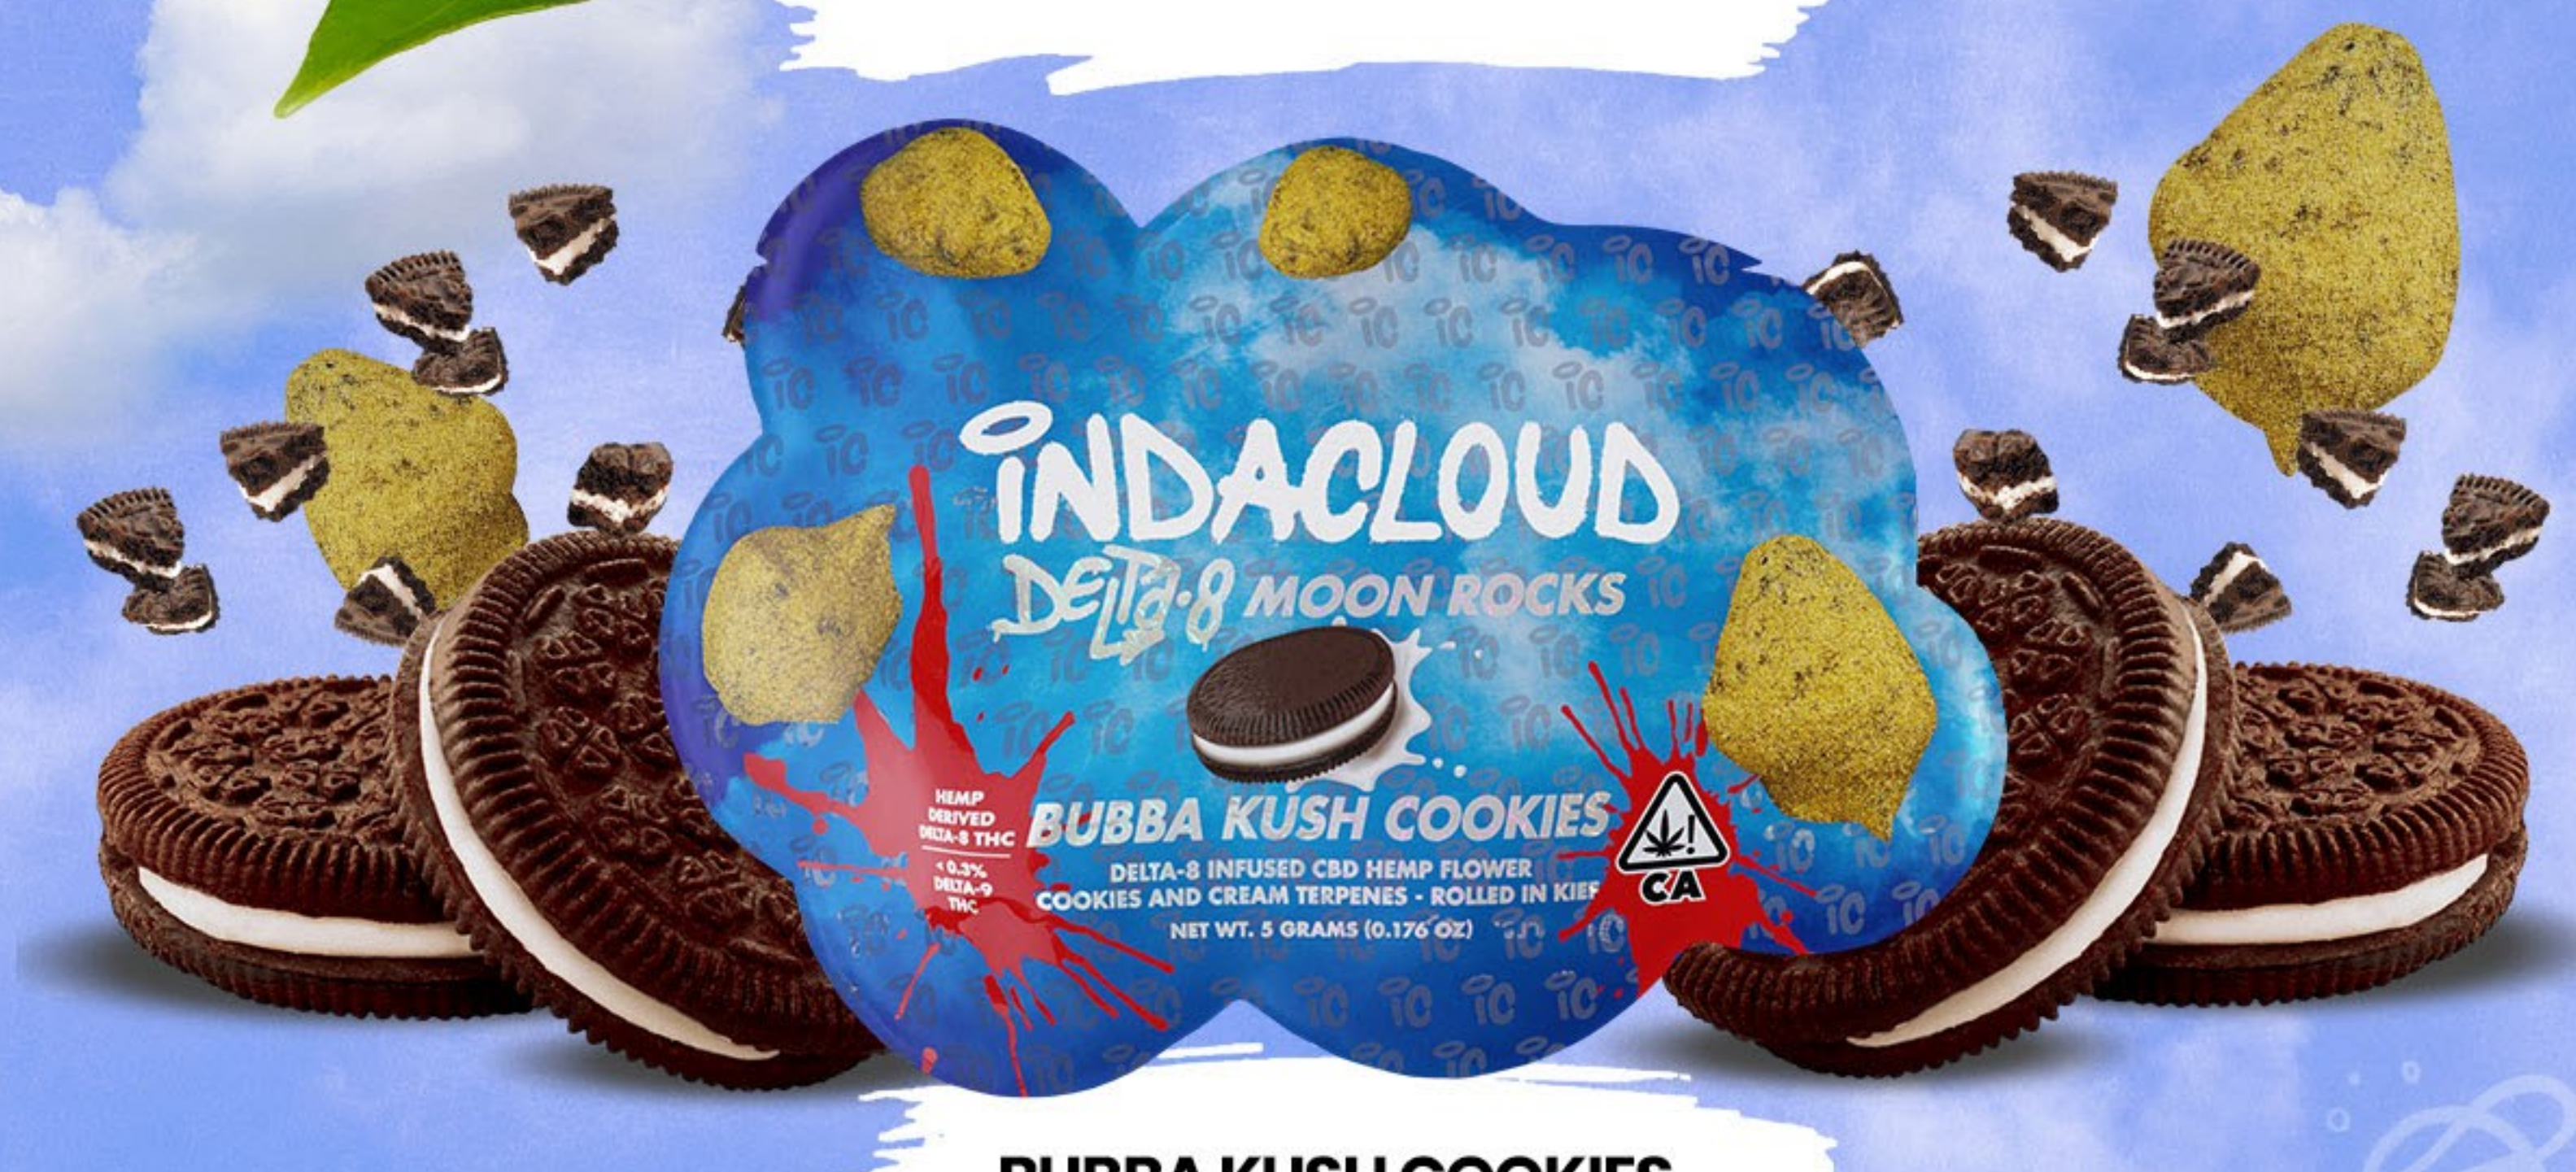

STRAWBERRY LIFTER

DELTA 8 FLOWER 5G

Indacloud's varieties of 5 gram, Delta-8 infused, CBD flower are known for their unique terpene profiles. Our premium infused flower delivers a consistent smoking experience that offers great flavor and a long-lasting level headed high.

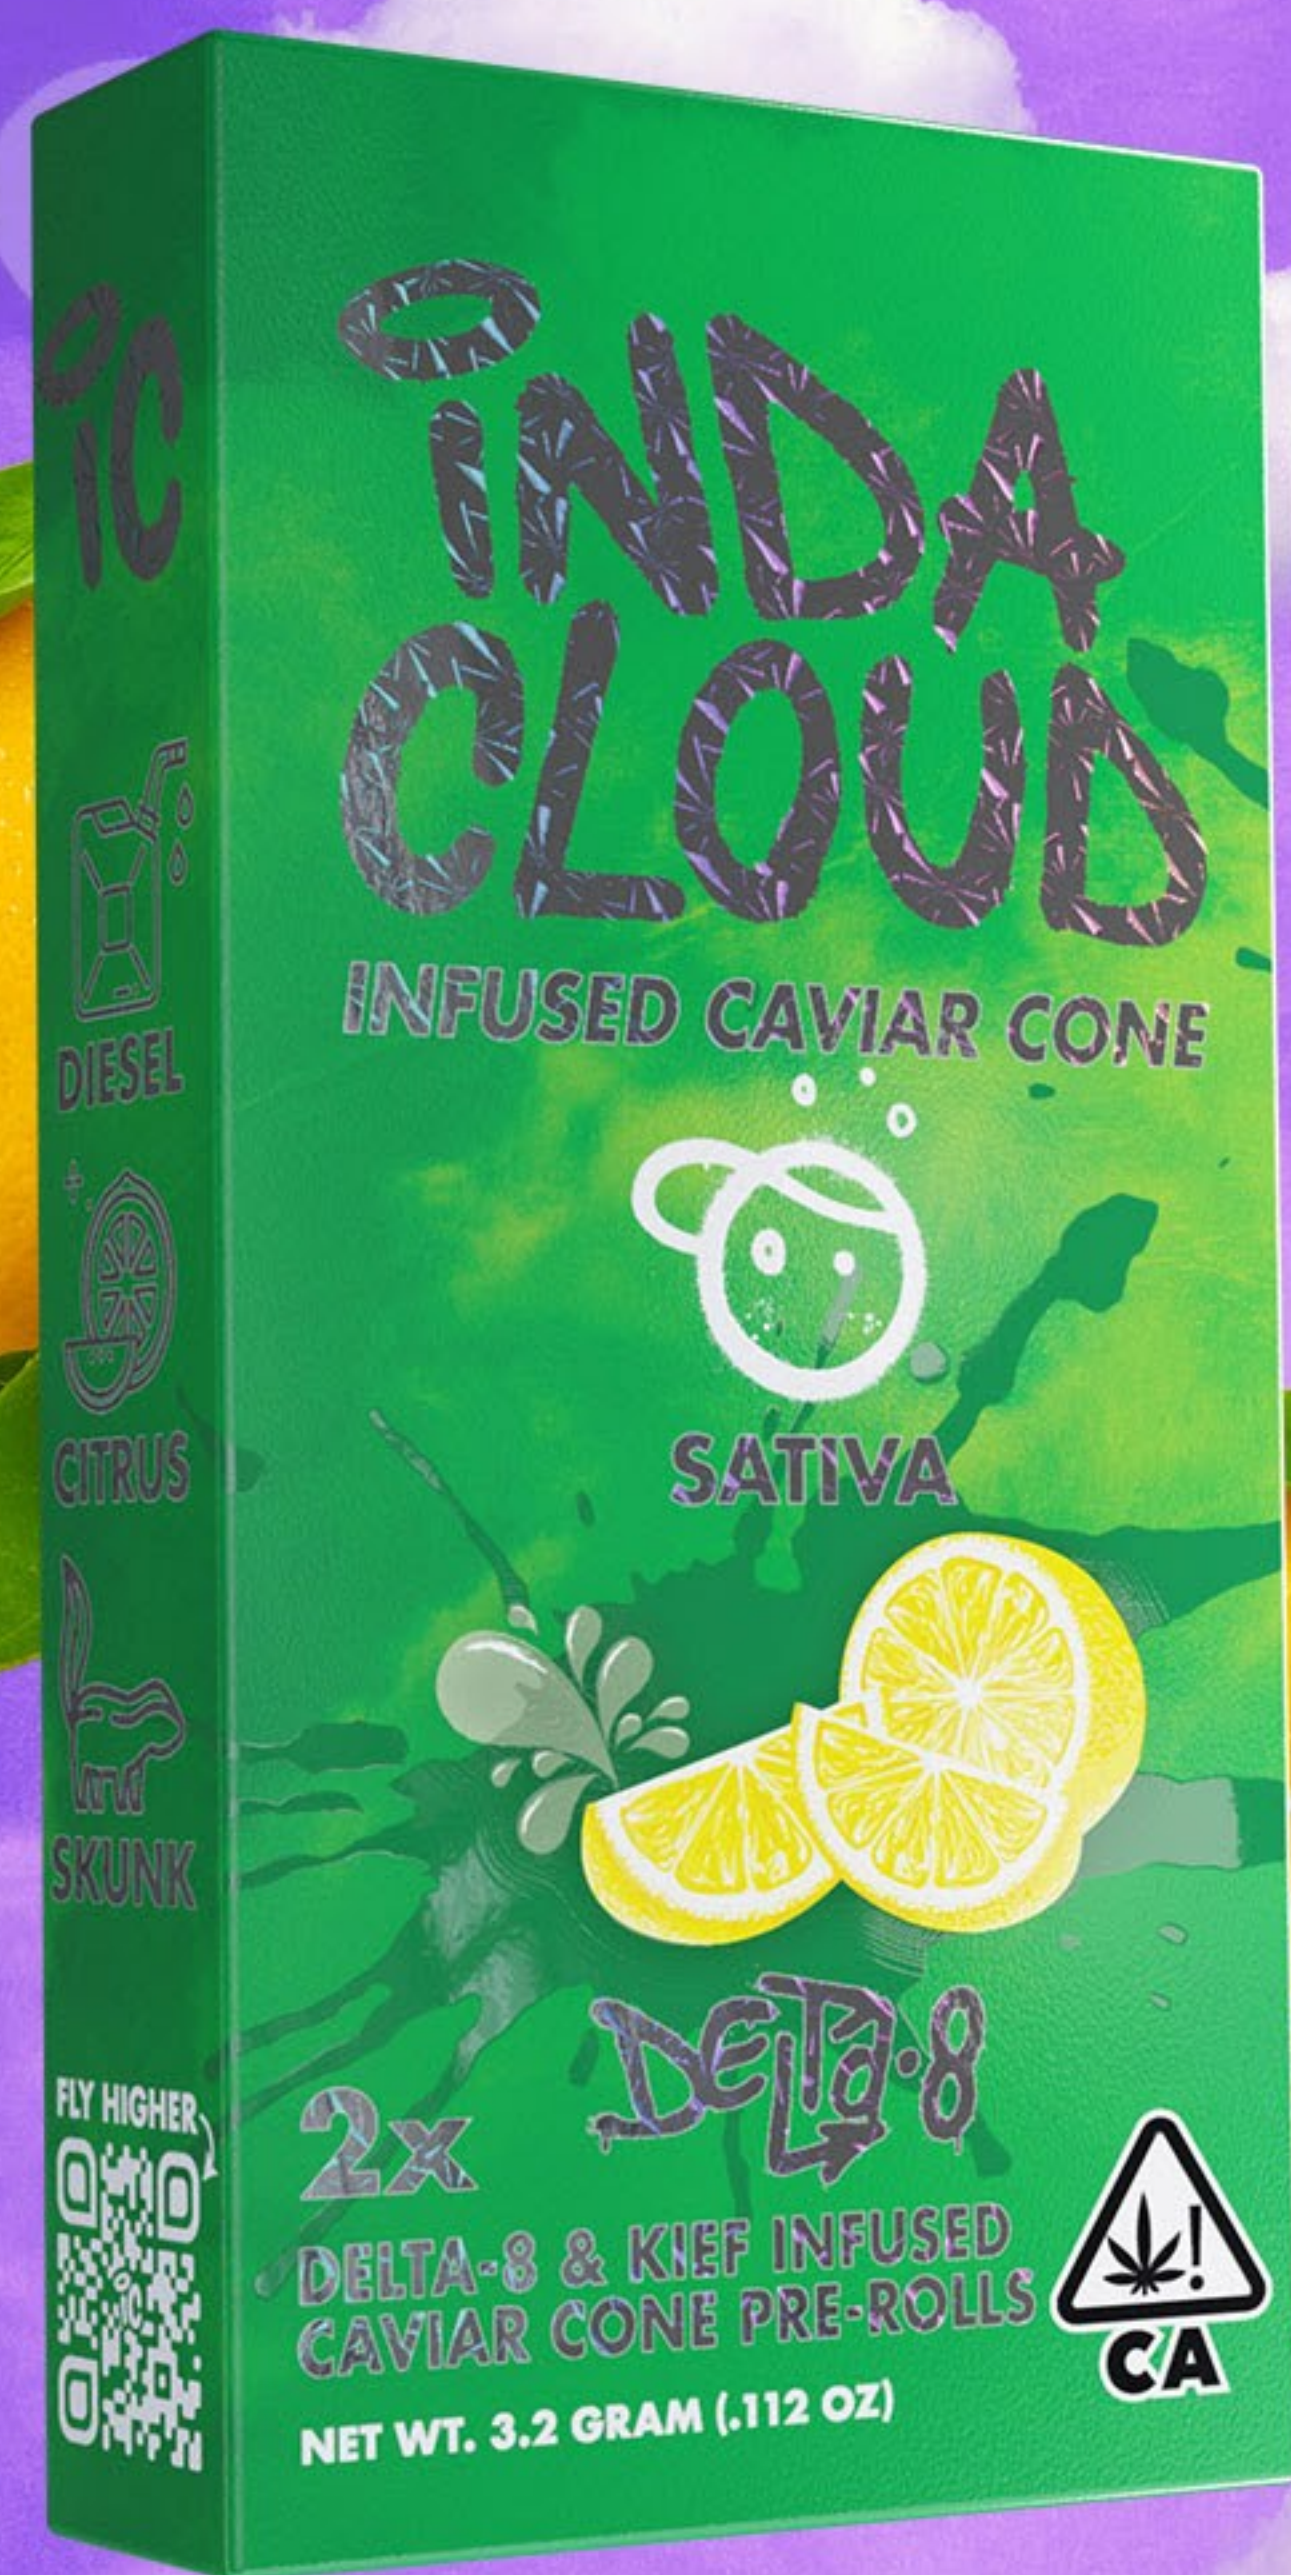

SUPER CITRUS HAZE

BUBBA KUSH COOKIES

DELTA 8 MOON ROCKS 5G

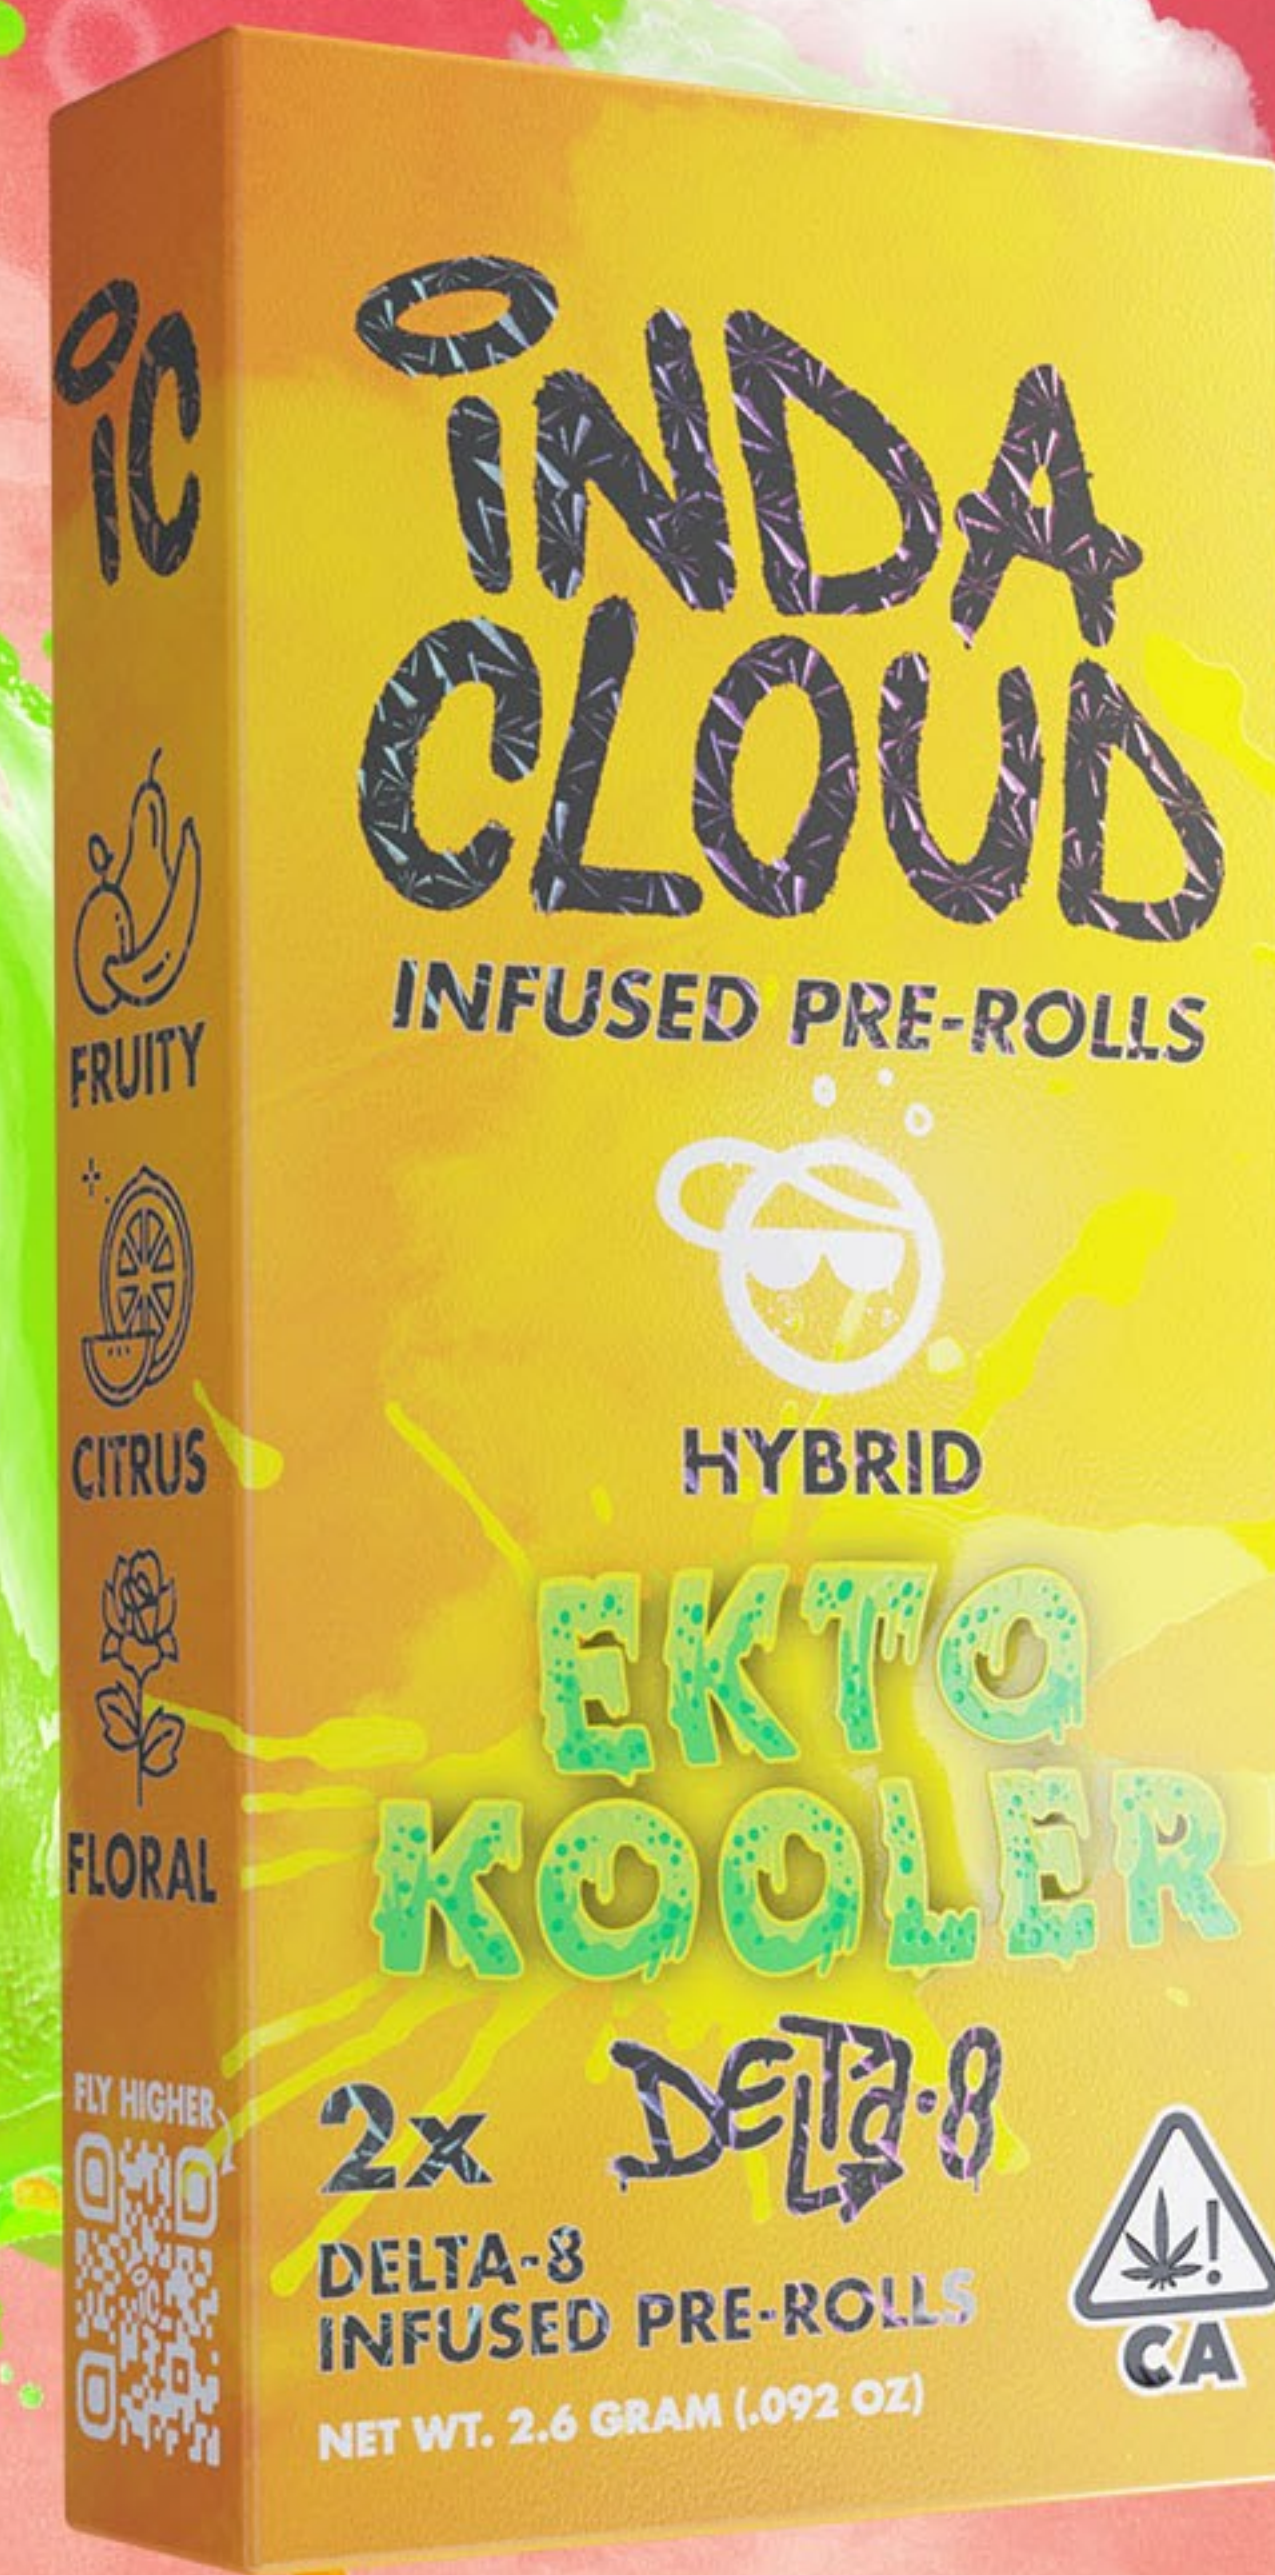

Indicaloud's Moon Rocks are crafted with premium CBD flower that is infused with a selection of top shelf terpenes and our signature Delta-8 distillate, finally it's rolled in CBG kief totaling 5 grams.

SOUR DIESEL

MAUI WOWIE

EKTO KOOLER

DELTA 8 CAVIAR CONES 2PK

This is the ultimate smoking experience combining our premium CBD flower infused with premium Delta-8, terpenes, and then coated in Delta-8 distillate and CBG kief. We put two huge 1.6 gram Caviar Cones in each box and the added kief is what gives this pre-roll an extra layer of something special, making it more potent and surprisingly smooth.

DELTA 8 PRE-ROLLS 2PK

“Pre-rolls” or pre-rolled joints are ready to smoke, offering an easy, no-hassle, classic approach to D8 delivery. Indicaloud pre-rolls have been perfected down to a science to ensure a consistent slow burning experience. Each box comes with 2 pre-rolls, each filled with 1.2 grams of premium CBD flower, our signature Delta-8, and specially selected terpenes.

BLUE RAZZ

BERRY HIGH

WATERMELON RUSH

DELTA 8 VEGAN GUMMIES 500MG

Infused with 50mg of pure Delta-8 distillate, each of our vegan gummies offers you up to 6-8 hours of heightened relaxation without the mental fog or physical fatigue. Each package contains 10 gummies for a total of 500mg of pure Delta-8 distillate.

SNACKERS

MUDDY BUDZ

MINTY THINS

DELTA 8 CHOCOLATE BUDZ 500MG

These unique edibles are made to resemble perfect cannabis budz. Each package contains 10 edible budz with 50mg of our signature Delta-8 (500mg per package). These edibles are made from delicious rice krispie cereal treats covered in cocoa. They come in three incredible and memorable flavors that provide a long lasting high.

ORANGE CREAMSICLE

BLUE RAZZ

WATERMELON SPLASH

DELTA 8 EDIBLE DABZ 500MG

Delicious hard candy edibles that provide an incredibly easy to dose high. Each pouch contains 10 hard candies with 50mg of our signature Delta-8 (500mg per pouch). They are molded to look like cannabis dabz and come in three popular flavors that provide the perfect high.

STRAWBERRY COUGH

SOUR APPLE

GRAPE PUNCH
